

2018-2019 Academic Year

Dear Parent/Guardian,

Breakfast Club

Research tells us that breakfast is the most important meal of the day. As part of our continuing programme to support students and parents, I am delighted to announce that we will be continuing with our trial of a Breakfast Club during the second half of the Autumn Term for students in Years 7 to 13.

The Breakfast Club will be in the College Refectory between 7.30am to 8.00am from Monday to Friday. A member of staff will be in attendance to supervise students, who will have breakfast with our Boarding Community. The Menu will include a continental breakfast consisting of a choice of cereals, toast and fresh fruit. Students will also be able to enjoy a cooked breakfast, which may include bacon, sausage, tomato, baked beans, egg, mushrooms, hash brown and fish on Fridays. Hot drinks such as tea, coffee and hot chocolate will be available, together with fruit juice and water, regardless of menu choice. The cost of attending Breakfast Club is £3.00 per day, per student, for the full menu or £2.00 per day, per student for the continental breakfast.

The Breakfast Club will support students who wish to participate in co-curricular activities which take place before academic lessons commence, ensuring they have appropriately re-fuelled before starting their school day. It will also support busy families who may need to drop their children off much earlier than 8.00am.

Students attending Breakfast Club will be supervised in the Refectory between 7.30am and 8.00am by a member of the Boarding staff. They will not be allowed to leave the Refectory until 8.00am when general supervision begins in the main school. If your son/daughter is unable to attend on a particular day, you will still be charged for the breakfast as they will have been catered for.

If you would like your son/daughter to attend Breakfast Club regularly, please complete the attached reply slip in full and return it to reception, for the attention of Mrs Sharpe in the Accounts Department. Please note that you will need to register his/her attendance for a full half-term. This will enable the catering department to plan appropriately. If you do not require your son/daughter to use the Breakfast Club regularly but may wish to use it occasionally, the deadline for registering your son/daughter's attendance is 4.30pm on the Thursday prior to the desired week, using the appropriate part of the form below. Regrettably, we are not able to accommodate requests any later than this, so please refrain from making last minute requests. Students who are not registered to attend Breakfast Club on a particular day will not be allowed to enter the Refectory.

Yours sincerely,

Clement Donegan
